

SOMERSET WHITE

An impressionistic painting of a coastal scene. In the background, a tall, slender chimney stands on the left, and a large, classical-style building with a pediment and columns is in the center. To the right, there's a long, low building. The foreground is dominated by a body of water with a small boat on the right. The sky is filled with soft, blended colors of blue, green, and purple, suggesting a hazy or overcast day. The overall style is painterly and atmospheric.
